Drown's drug store, absolutely cured me of kidney complaint, but I want them to theroughly understand that in all my experience with medicine and prescriptions said to cure disordered kidneys, I never received anything like the assistance I obtained from Doan's Kidney Pills. I tried so many different remedies and obtained so little success that it was only after they were strongly recommended to me by a friend who had been cured of a similar case to me that I commenced the treatment. My back grew stronger, my general health better, and unless I brought any exertion on the muscles of the loins I did not feel the continual lameness and aching. This, to a man who has given up all expectations of ever being helped by the use of medicine, is of considerable value and greatly appreciated."
